General CPE rules for entries/show site:

- o Dogs must be at least 15 months or older the first day of the trial
- o Blind (both eyes), lame, in season or aggressive dogs may not enter the show. The Club may choose to exclude any of the above from the site.
- o Dogs must be registered with CPE prior to the closing date of the trial, or by the trial date for Day Of Show entries. Registration forms are on the Forms page: www.k9cpe.com. Forms MUST be mailed to CPE and are processed 2-3 times per week. CPE ID numbers are emailed to legible email addresses. Registrations can only be processed from mailed forms.
- o Dogs must be able to be measured at their first show. If a dog cannot be measured, the dog cannot run and no refund will be issued. Dogs within ½” of a jump height require at least one more measurement. When dogs reach their second birthday, a measurement is required. All dogs must be measured at their first trial regardless of jump height.
- o Only CPE Judges can measure dogs.
- o Electronic shock collars are not allowed at ANY CPE trial – training or bark.
- o Handlers in all classes are permitted to walk the course, without a dog, prior to the start of the class. A warm-up jump shall be provided for all entered dogs. No relieving of dogs in the warm-up area.

Dogs in the ring, leashes, exiting the ring

- o Dogs shall run without anything attached to its body. This is for the safety of the dog. This includes no: collars, stitches, wraps or any other item. The only exception is a small barrette or rubber band to keep hair out of a dog’s eyes.
- o Leashes may not have anything (other than name/license tags) attached to them when used in the ring.
- o Dogs may enter the ring on a collar, quick release harness or head halti/leader. If prong collars are allowed per the show site, they may not be used to take a dog into the ring.
- o Handlers may not carry their leash with them on the course – if done so, an NT will result. Exception: Handicapped handlers that have a mobility problem in picking up the leash at the finish may put their leash in their pocket – the leash must be out of sight.
- o Dogs must be under the handler’s control when leaving the ring or the judge may enter the run as No Time - NT.

Training a dog in the ring during a run

- o There is no training in the ring at a CPE agility trial. First offense will result in an excusal from the run. Further offenses will result in additional excusals for the day/weekend per the judge’s discretion. This is for the safety of the dog.
- o The following items are not considered training in the ring (also see FEO):
- o Dog grabbing it’s leash at the end of a run (if the run has not yet ended, the dog would receive an NT)
- o Asking the dog once for a sit or down on the table in the point games (asking more than once will be a delay of finish, 5 faults/points)
- o The following items are considered training in the ring:
- o Violating the 4 paw safety rule (directing the dog back onto the contact)
- o Start line stay – leaving the dog and going back again to reposition the dog after the handler passes the plane of the first obstacle (before the handler leaves the dog, repositioning or repeated commands can be a delay of start)
- o Putting the dog back on the table in the point games

While running on course

- o The handler will direct the dog through the course without a collar or lead.
- o Food, toys, training devices (includes fanny packs and leash attachments) are not allowed within 10’ feet of the ring. Clickers, training whistles and squeaky toys are not to be used within distraction distance of the ring.
- o The handler may not carry anything that could aid the dog in its performance. Exclusion: Handicapped/Differently Abled Handlers using a cane, scooter, wheelchair, etc., to enable their progression around the course.

The handler may use any verbal or visual commands to direct the dog through the course. The Judge may assess a 5 fault penalty to elimination for any command that is not given in a sportsmanlike manner. Faults can be, but are not limited to: foul or abusive language, display of anger, extreme frustration or excessive harshness. If the fault is severe enough, the Judge has the right to excuse the exhibitor from the ring and / or the remainder of the trial. If excused from the trial, a report would be filed with CPE. See Faults, Eliminations and Excusals in the rulebook.

Questions? See the rules page on the website, www.k9cpe.com or your printed rulebook. If you have further questions, email CPE – cpe@charter.net.

- c **Entry fees will not be refunded in the event that a dog is absent, disqualified, excused, or barred from competition by action of the show committee.**
- c **It is expressly understood that exhibitors alone are responsible for the behavior of their dog(s) and / or children. In that case, no refund of any fees paid will be made.**

- c **Any corrections requested by an Exhibitor at the show to jump heights, levels, category or classes entered are subject to a \$5 correction fee. This fee will be donated to a local dog charity. An exhibitor that does not wish to pay this fee can choose not to do so and the club will then not be responsible for them being in the wrong height, category, level or classes that may have been requested. Correction to jump heights due to measuring in at a different height are not subject to this fee. We urge all our exhibitors to carefully check their confirmations. Errors on either the part of the exhibitor or the trial secretary can happen. It is ultimately the exhibitor's responsibility to be sure they have a correct confirmation by the final move-up date of a show.**

Our Mentor Program

Haute Dawgs Agility wants YOU to have a GREAT experience at the trial. We know from our own experience that going to your first trial can be a challenge in many ways. So we want to help you by being there to greet you and doing all we can to help your day go well.

Our mentors have lots of experience at trials, and can help guide you in many ways:

- Finding a place to park and set up
- Finding the check-in area
- Locating course maps
- Understanding the run order
- Knowing when it's your turn to walk your course
- And cheering you on as you step to the line!

The benefit of having a mentor is that you will have someone to talk to as soon as you arrive, and someone you can “shadow” as well. You can watch them walk a course, run their dog, and learn more about the different classes and rules.

If you would like to have a mentor at this trial, simply check the box on the entry form that says “I’m new and I would like a mentor!”, and a mentor will be assigned to you.
