Any dog which demonstrates aggression towards any person or any dog, whether inside the ring or outside the ring, must be excused from the agility trial. Any dog which the judge feels is not in enough control to perform all obstacles in a safe manner will be excused from the agility trial.

VETERAN OR DISABLED HANDLER

Handlers who are 60 years or older, or who have a disability that restricts mobility, may choose to enter as a Veteran Handler and receive 10% more standard course time.

The Veteran/Disabled Handler division is designed for handlers who, due to age or impairment, are mobility limited and need extra time to guide their canine partners through an agility course. When entering as a Veteran/Disabled Handler, you must enter all dogs in all classes for the entire trial in this Division and must jump 4" lower than your Proficient, Standard Division jump height requires.

IMPORTANT Please check your dog's NADAC registration number on your trial confirmation as soon as you receive it; also, please check the copy of the results posted at the trial. You should report any errors to the Trial Secretary immediately.

NADAC records trial results as they are submitted by the host clubs/groups. The individual trial results submitted by the club are uploaded to the NADAC website (www.nadac.com) within two weeks after the NADAC office receives them from the club. Please accept the responsibility to review those results, and check that your registration number and qualifying points, as reported by the club, are correct. If you find an error in the reporting of your dog's qualifying points or registration number, please contact the host club. The host club is responsible for correcting any errors and informing NADAC.

Levels Points earned at a higher level of a class, prior to the completion of the lower level title, will not be recorded by NADAC for future use. If a dog earns points in a level of a class that they are not eligible to title in, those points will not be added to the dog's records.
